### *Attendance Commitment Agreement*

*Attendance at every rehearsal and concert must be a top priority for choristers* who have made a commitment to sing in the choirs. Development of the ensemble sound and spirit, balance within and between the sections, mastery of the repertoire, and marking of the scores at the Director's instruction is critical work that takes place in rehearsals. Attendance is taken at every rehearsal and absences and consistent lateness are reported to the Director. The Director reserves the right to ask a member not to sing a particular concert if his or her attendance record indicates an inadequate knowledge of the repertoire, or a lack of overall commitment to the ensemble.

I understand the above information and agree to honor the commitment.
